

nnually, on the third Monday in January, Americans will celebrate the King Holiday, honoring the life and

work of Dr. Martin Luther King, Jr. Many students do not go to school. Many Adults do not go to work. But while we are not studying or working, what can we do to commemorate this important day?

### *Be A Keeper of the "King Dream for Social Justice"*

- ➔ At the heart of Dr. King's philosophy was the concept of service. Dr. King believed that a person's worth should not be measured by his or her color, culture, or class but rather by his or her commitment to making a better life for all.
- ➔ August 3, 1994, President Bill Clinton signed the King Holiday and Service Act, designed to transform Dr. Martin Luther King, Jr. Day into a day of service that reflects his life and teaching – bringing people together around this common focus.
- ➔ In an effort to make the King Holiday a day of service and volunteerism, Hoosiers are encouraged to do volunteer projects as part of the observance of the Holiday celebration.

### *Be a Volunteer Host Agency on Dr. Martin Luther King, Jr. Holiday on January 21, 2002*

- ➔ Your agency is invited to be counted as a "Keeper of the King Dream for Social Justice" by allowing volunteers to donate time to your agency in service to needy citizens in our state.
- ➔ Your agency's profile, volunteer requirements for activities and descriptions of service projects will be posted on the MLK Web page to aid your agency in recruiting volunteers from your surrounding community.

*"everybody can be great because everybody can serve."
